TECHNICAL DATA SHEET

CHAMÄLEON UNIVERSAL THINNER

Article number: 13225, 13228

Characteristics:

Chamaeleon Universal Thinner is an acrylic thinner for all two-pack acrylic products of all usual systems. The thinner can be used for adjusting the spraying viscosity or for improving the application in general as well as for cleaning the tools.
Used concentration depends on the base product. Upon addition to the base product good agitation is recommended in order to obtain proper mixing. An acceleration of the drying process will take place if short flash off times are allowed between the spraying operations.

Marking: VbF
Universal Thinner A II

Hazardous materials ordinance inflammable, Xn harmful, contains xylene

GB 1/0493
